

CAPABILITY STATEMENT

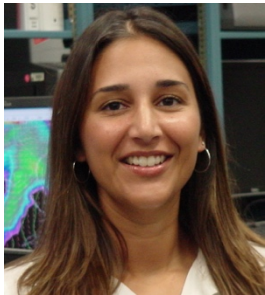

DUNS#: 08-002-4190

CAGE#: 7GXN4

NAICS CODES (commonly supported):
541990, 541690, 541620

We are a small, minority, women-owned business that provides weather forecasting services and products to government and commercial companies. Our clients include the U.S. Air Force, U.S. Navy, and NASA who use our weather services in support of their operations. We also have developed an in-house proprietary weather forecasting method that uses artificial intelligence to create a more reliable weather forecast product. MWOSB
